# Manager's Message

For many years these Mid-Kansas Sales have been a good place to buy top quality Shorthorns. This 1966 Spring sale will be one of the best for quality.

If you are in need of an outstanding bull or a top bred or open female, come to Salina, where the top Kansas herds in the State will be represented. There will be proven sires, backed by the best blood lines of the breed. Twenty-two two year old bulls, ready for service; many strong yearling bulls. Fifty-seven head of bulls to select your choice of champions from. Many of these bulls are bred to make ton type bulls that so many people are looking for in the beef breeds today. Lots 7 and 8 are Polled bulls.

There will be 20 females sold in this sale. They are bred and open heifers that will make outstanding herd foundation stock. Many of the open heifers would be ideal for Junior members to start a herd with.

The consignors for this sale represent the top herds in Kansas, and one firm from Missouri. Mid-Kansas Shorthorns have traveled far. Buyers from California, Texas, Utah, North Dakota, as well as the Central States, have bought cattle in these sales. See you in Salina, April 6th and 7th; a nice place to meet old friends and make new ones.

If you cannot attend the sale, you may phone or send mail bids to the sale manager, or any of the press representatives. To contact sale manager for any late messages or bids, phone Salina Chamber of Commerce.

**STANDARD GUARANTEE**  
**(Recommended by American Shorthorn Association)**

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

Our shorthorns have made good records for a long time. Some of our best cattle have been sired by bulls of our own breeding. Talisman Wordsworth is one of them. He is thick, smooth, and loaded with quality. He ran in the pasture with 15 heifers last summer. They will start calving about sale time. We are selling him only because of the close relationship to our entire herd.

**KAR-BURN PIONEER FASHION**—The greatest bull ever produced at Kar-Burn. Champion bull at Missouri State Fair. Champion Ozark Empire Fair. Reserve Senior Champion, Kansas State Fair. His illustrious list of sires and grandsires; Bapton Pioneer, Bapton Cairnbrogie, Aldie Kinsman, Kair Martinet, Corrimony Golden Sovereign and the great Calrossie Supreme, give him one of the greatest concentrations of blood lines anywhere. Fashion is a BIG bull weighing 1190 lbs. at 13 months of age. A terrific hind quarter. His smoothness and width throughout is almost unbelievable. Walks on outstanding legs and bone. A herd bull good enough for anyone. We have 15 females bred to him and his first calves arrive in March.

KAR-BURN EDITOR—A classy white bull that we showed as a junior calf. Never stood lower than third, including the American Royal. A half brother to our champion at Salina, and top selling bull at \$1,000.00. He has grown real well since the shows, and could be a real eye catcher by sale time. His pedigree suits us fine, and should be used in a top herd of cows.

KAR-BURN LADY ISABEL 5th—A foundation female good enough for anyone, and we should be keeping her. A half sister to our Missouri State Fair Champion selling in this sale. Her dam is a full sister to the bull that was champion and top selling bull at \$800 in the Missouri State Sale a few years ago. Of course, her pedigree speaks for itself, we have had three champion females at Salina and this could well be the best to go west. Open and calfhood vaccinated.
